ENDURANCE UNITED
ACTIVE. HEALTHY. OUTDOORS.

Mark your calendars!

The Endurance United Junior Program informational meeting is scheduled for Thursday, March 31 at 7:00pm via zoom. Our junior program is for skiers ages 14-19, *if an athlete is 12 or 13 years of age but interested in joining EU Juniors, contact Liz Peterson to discuss if EU juniors versus EU skiwerx is the more appropriate program.

If you are interested in learning more or planning to join one of our many EU junior programs (spring, summer, fall, D-team, JNQ support) for the 2022/2023 season please mark your calendars and plan to listen in to the info meeting. Even if you are a returning EU junior, we expect you to still join in the meeting! There are some key differences to some of the EU junior programs for the upcoming season.

Zoom link will be sent out closer to the meeting date.

Also to note...
Endurance United spring juniors will be starting on April 12 and finishing up the final week of May. We have options from 1-3 days per week, with rollerskiing, dryland/strength, and adventure workouts/games. We are also offering the Endurance United year round D-team training option this season, if this program is something you are interested in, please contact me before registering so we can discuss if it's the right program for you.
*Endurance United D-team is a high level commitment for athletes aspiring to take their skiing career beyond the high school level.

For further details on spring training and to register, please follow this link.
