Suggested Clothing for HS Skiers: (from the feet up!)

- **Wicking socks** (ex: Smartwool)
- **Wind front pants** (full or ½ zip – Swix or Craft)
- **Thermal long underwear** or thermal tights (which can be worn by themselves)
- (Craft / Sugoi / Smartwool)
- **MEN: wind briefs!** Very necessary.
- Women: we have windbriefs too!
- **Wicking (next to skin) Top.** Many choices: Craft / Smartwool / Sugoi / and many various running tops...**MOST IMPORTANT PIECE!** Probably will need two.
- **Mid Layer** (for extremely cold days). Can take many forms...light fleece is the best (Toko, Mizuno, Nike, Asics, Brooks....) but can be sweatshirts etc. Just remember, cotton always stays wet.
- **Breathable jacket with wind front.** Thick puffy jackets are too warm and will overheat. (ex: Swix, Craft, Salomon, Sugoi and lots of running jackets...we have many last years models on SALE!
- **Lobster Gloves** (warmer than gloves, not quite as warm as mittens), gloves, mittens....we have LOTS of choices from Toko, Swix, LilSport, Salomon....
- **Hats!** Earmuffs. Headbands will not keep you warm!
- **Super cold items:** Balaclavas (breathable face masks), neck gaiters, Warm Skin or Dermatone (prevents frostbite), Craft Goretex windfront long underwear tops or leggings, vests, glasses (to prevent wind burn)....overboots.

Ski Accessories:

- **Ski Bags.** Needed item to transport skis and contain clothing. Over 15 choices at GW!
- **Water Bottle waist packs** (to keep skiers hydrated) Lots of choices..
- **Ski Ties.** (to protect ski bases)
- **Optional Items** depending on schools, coaches and expertise of skier: ski wax forms, waxes, iron, scrapers, groove scrapers, cork and other tools...

LOCATION: Hwy 12 In Long Lake, MN. Just 20 min. west of Mpls. Take 394 west until you enter Long Lake. GW is the first building on the N side. The Ski/Run store faces west (the bike store faces east).
