## About Gear West

Founded in 1992, Gear West Ski, Run and Soccer has established itself as the largest independent Nordic Ski shop in North America. What separates Gear West from all other XC ski & running stores is our commitment to finding you the best ski & run equipment possible. To do that, we stock more performance XC Ski inventory than any retail and web store in the United States and specialty shoes from over 20 manufacturers. Our commitment to you, the racer, the tourer, the high school or college racer, or the triathlete is unsurpassed.

Please visit, call 952 473-0377 or 1-877-473-GEAR (4327) or [email us](#) with questions. When you support [Gear West](#) you also support the ski & running community. Through money, equipment and time we support many high school teams, races, women's ski weekends, youth skiers in financial need, the Mora Vassloppet, the City of Lakes Loppet in Minneapolis, American Birkebeiner fund raisers, ski joring clubs and much much more. This is what our specialty business is all about.
