**USSA National J2 Talent Camp Athlete Roster**

The 3rd annual National J2 Talent Camp is set to kick off August 4- August 11, 2012 in Craftsbury, Vermont at the Craftsbury Outdoor Center. The camp will provide a great opportunity for many of the top young cross country skiers in the U.S. to train together, and learn from USST staff and top club coaches. The camp is the first step along the U.S. development pipeline for promising young skiers.

The collaboration from regional coaches along with substantial support from the National Nordic Foundation (NNF) and USSA (United States Ski and Snowboard Association), have enabled this camp to continue and to grow. This year NNF will contribute \$4500 in support of this camp. This strategic investment, made to Support Tomorrow's Stars Today, greatly helps offset camp costs and ensures some of the top coaches in the country will be guiding these young athletes. This year's site at Craftsbury Outdoor Center (which also hosted Spring Nationals/SuperTour finals) offers a spectacular setting for athletes with great hiking, rollerskiing, mountain biking, swimming, training facilities, lodging, and fabulous meals. Athletes qualified to attend the National J2 Talent Camp based on results from the 2012 USSA Junior Cross Country Ski Championships.
