

Duluth Trail Festival –Three Terrific Trail Runs in One Weekend! Aug 27-29

Are you looking at trying something new beyond your typical 5K race? Or are you a marathon runner looking for an event that is challenging but yet like no other running race?

Signup today for the Duluth Trail Fest, which is 3 days of running Duluth's best trails Aug 27-29.

- Friday, Aug 27th: Chester Tester Hill Challenge (5km). Race includes going up one of the steepest hills of any race course!
- Saturday, Aug 28th: Superior Hiking Trail 15km trail run. We'll bus you to the start where you'll soon enjoy panoramic views from atop cliffs, winding single track, and then descend into the fern gully near the finish outside the zoo. This trail is truly amazing!
- Sunday is the Park Point Beach 5km. Go through tall White Pines and run on sections of the sandy beach at the water's edge of Lake Superior. Finish with a dip!

"DTF is a must do race...do it before Outside Magazine does an article on it!"

Sign up to do all three events for only \$75 now before price hike on Aug 16th. If you want to pick and choose what races you want, we offer that option as well.
