

Sarah Goble is going to the World Cup

Greetings

For those of you who do not know me, my name is Sarah Goble and I am a skier for The Bridger Ski Foundation PRO Team based out of Bozeman, Montana. Prior to my graduation in 2020, I raced for Michigan Technological University. I am originally from Petoskey, Michigan and am honored to be one of the very few skiers from Michigan to have advanced to the pro nordic ski racing circuit. Recently, I qualified for my first World Cup races and will be competing in Les Rousses, France and Toblach, Italy! I have fully committed myself to professional skiing with the dream of competing at this next level. Racing on the World Cup for Team USA is a goal I have been working towards for the last three years. I am proud to see my training, dedication, and perseverance start to pay off. Although I will be representing the U.S. on the World Cup, I am not a member of the U.S. Ski Team. This means I will be responsible for covering all costs of competing in these World Cup races. Any support (see below) would be greatly appreciated and will help reduce the financial stress, allowing me to focus on preparing to race at an international level. Donations will go towards travel expenses, lodging and waxing services. Thank you for your support!

With much appreciation,
Sarah Goble
