

High School Highlights from

Wax Kits and Bulk Waxes

Gear West is the place for wax! We stock pre-assembled wax-kits and bulk waxes, as well as the handy wax tables and tools required to do the job right. If you are new to waxing or want to learn the latest waxing techniques, **Gear West** holds free wax clinics every Tuesday evening throughout the season. Of course you can always entrust your gear to our professional full service ski shop for waxing, base repair and custom base preparation. Get moving **faster** with the pros at **Gear West**! For more details log on to www.gearwest.com

If your gear looks like this guy and needs updating or you are a first year skier looking for your first setup, **Gear West** offers complete packages for all levels. Packages offer great savings for all abilities and techniques. Starting from \$ 350 and up.
