

2016 Moose Nordic Moose Valuable Skier (MVS)

Moose Nordic Ski Club is excited to announce its first ever Moose Valuable Skier (MVS) award. This award will be presented to a nordic athlete who lives the four core values of Moose Nordic both on and off the trails. These four core values are:

1. Sportsmanship- Being a true sportsman both on and off the trail. Respecting both teammates and competitors and striving to make friends in the greater nordic community, not enemies.
2. Humility- It's hard to humiliate a humble person.
3. Empowerment- When we empower those around us we build a sense of community. Whether this be through an encouraging word, a selfless act, or simply listening, we all have the ability to empower those around us and help others reach new heights.
4. Integrity- While great performances on the ski course are wonderful, remaining true to your morals in the midst of success is important both to you and those around you.

To nominate an individual you believe exemplifies these four values, please send a 100-700 word explanation of why you believe that person should be this year's Moose Valuable Skier. The skier need not be a Moose Nordic Athlete. Please send nominations to lukemoose@gmail.com and pschomme@css.edu by May 27th, 2016. This person will be presented with their award at the 2016 Moose Nordic Picnic on Tuesday May 31st, 2016 in Minneapolis.
