

West Yellowstone Annual Rendezvous Ski Race March 4, 2023

Are you ready to put a winter's worth of training to the test while you enjoy the beauty of the Yellowstone region? You are invited to participate in the 44th annual Yellowstone Rendezvous Race on March 4th, 2023 in West Yellowstone, Montana.

There are six different races to choose from depending on your age and ability: 2K, 5K, 10K, 25K classic, 25K and 50K. The six races are run concurrently and skiers of all ages and abilities participate every year. The Rendezvous Race is the culmination of cross country ski racing in our region and, as the name implies, it is a reunion of old timers and new comers alike who have trained and skied on our trail system for years or who are skiing here for the first time. Run on the beautifully groomed, rolling terrain of the Rendezvous Ski Trails, there is no better way to celebrate the end of the winter season than to ski in the Yellowstone Rendezvous Race! This year's theme is Top Gun!

The Yellowstone Rendezvous Race Committee is following FIS and USSA guidelines in prohibiting the use of Fluorinated Waxes for the 2023 Rendezvous Race.

All participants MUST have a Rendezvous Ski Trail pass before race day. Passes can be purchased at The Rendezvous Trailhead kiosk, Freeheel and Wheel, the Hebgen Lake Ranger Station during business hours. Pass price is not included in the registration fee.

The 2023 Yellowstone Rendezvous Race will once again be part of the American Ski Marathon Series - North America's longest-running and largest citizen's racing and touring series - that highlights long distance ski events throughout the country. In the past, the race has attracted over 800 skiers and we are hoping to top that this coming year. For a complete set of results, click on the "[Results](#)" tab at the top of the page.
