West Yellowstone Fall Camp - Ski with a Pro Registration Now Open for Yellowstone Ski Festival Clinics

Come and join our professional coaching staff to get a “jump start” on your 2022 - 2023 ski season during the Yellowstone Ski Festival, November 22-26, 2022. The staff provides a solid understanding of cross country fundamentals, and gives you the tools and drills to gain efficiency and strength at the camp and throughout your ski season. The coaching staff is composed of an elite group of XC ski professionals which includes retired world class skiers, coaches and professional instructors. The coaches know that the best way to ingrain effective movement is through practice. You’ll also get feedback, in the dose that’s right for you. While some just need a new focus and mileage, others benefit from a more consistent stream of information about whether and how much they’re performing the task to the desired degree. The coaches know how to pace the flow of information, and offer up a great balance of new information, drills, and practice.

Some of the special offerings include:

- 5-day Skate & Classic XC Fundamentals for Performance
- 3-day Skate & Classic XC Fundamentals for Performance
- 2-day Skate & Classic “Tune up”
- 1-day Improve Your Skate Technique
- 1-day Improve Your Classic Technique
