

5th Annual Peter Westra Sprints, Trollhaugen, December 5, 2008

Peter Westra skied for the St. Paul Academy and Summit School Nordic Ski Team from 1991-1995. Each year, the Westra family and friends remember Peter and his great enthusiasm for nordic skiing and celebrate his life with a high school sprint race Peter would have loved.

Approximately 120 skiers participated from St. Paul Academy, Mahtomedi, Sibley, Forest Lake, St. Paul Central, Minnehaha Academy, and Anoka High Schools. Course length: 750 meters.

Top girls and boys finishers each won a training session for their respective teams with Chad Giese. Chad served as head starter for the meet. Also, prize cookies were awarded for various categories.
