

TEAM SCORING MESABI EAST INVITATIONAL

1. The point base for any race is equal to the number of finishers in that race. For example, if 123 racers finished the Varsity Classic Female Race, the top racer would be assigned 123 points, the second place finisher would be assigned 122 points, ect.
2. Only the top two racers per team and race are allowed to score points.
3. The final team scores are calculated for the following: "Boys Varsity", "Girls Varsity", "Boys JV", "Girls JV". The top two places by team and discipline (Classic/Freestyle) are added together for the final team score. See the example below:

| Bib | Div | Rank | Name | Technique | Time | Team Rank | Points |
