

William O'Brien Nordic Ski Race
3/10/07

11:15 AM Mass Start

Temperature: low 40s F Sunny

Soft track with slush in low spots (very slow) felt like 50 km

Beautiful Spring Skiing. Thanks to everyone who raced and supported the St. Croix Valley Youth Ski Club (MYSL). A big thank you to the staff at William O'Brien Park for keeping the course in great condition considering the warm weather on Friday 3/9/07. The race would not have happened without Deb Asch and Mike McKinney of PJ Asch Otterfitters who volunteered their time and also donated race hats to everyone as well as incredibly nice prizes for a drawing at the end of the race (kids skis, fleece pull-over, ski socks, water bottle backpack and much more). Bayport Bank and St. Croix Orthopedic donated cash for cash prizes to the top finisher in male and female skate and classic races.
