

Elm Creek XC Series Race Report – Week 4

'Twas the night after Christmas and all through the park...all the skiers were stuck back on manufactured snow after dark. Though there is still snow to be had on Northern Lights, the recent meltdown meant icy conditions even on Valley, so for safety's sake, it was back to the hamster loop—at least until more snow comes. Of course, this also meant screaming-fast times, with McEwan Rodefeld coming in first in men's skate under 11 minutes, with Joe Martin 4 seconds behind him, and Charles Reinhardt another 4 seconds back. Maria Hauer was first and only in women's skate; and first in women's classic, with Andrea P-S lollygagging along on skin skis for a second place after scouting the trails. McEwan cornered first place again in classic (not even 2 minutes slower than his skate time!), with Charles R. and Joe M. trading places behind him. We will be back to our regularly scheduled Wednesday night next week, New Year's Day.
