

## Elm Creek XC Series Race Report – Week 7

Ice-ice baby, too cold...too cold...for a lot of people, apparently. A whopping seven people came out in total for the January 15, 2020 iteration of the Elm Creek races, in low single-digit temps with below 0 windchills. However, the fresh snow made skiing the full 5K lit loop for both skate and classic viable! Andy Schakel, Laszlo Alberti, and Clayton Keim were 1-2-3 for them men's in skate, with Artie H. only a few seconds behind to finish the entire field. Artie then proceeded to double pole to second place in the classic field, with Connor Canfield in first. Maria Hauer and Andrea P-S were the only two women out tonight, and both chose to do only classic, taking 1<sup>st</sup> and 2<sup>nd</sup>, respectively.
