New Brighton, MN 55112

Dear Irondale Nordic Supporters,

The 2019-2020 ski season is coming to a close! We have had one of the best ski seasons on the Irondale trails ever!! Special thanks to everyone that has helped maintain and groom a great trail system for 19 years! It is a great asset to our students, school and community.

We are at a point that we need to replace our current Skidoo Skandic snowmobile that we use to pull our grooming implements. Our Skandic is 11 years old and has served us well, but ongoing maintenance and maneuverability are becoming issues. We are looking to replace the snowmobile with a 2020 Yamaha Kodiak ATV with tracks. The ATV is much more maneuverable on the many tight corners of the Irondale Trails. We will also be able to use it in the summer months to pull our trail mower rather than relying on the donated use of an ATV.

Your support is key to helping us reach our goal of purchasing the new ATV by this fall! The cost of a new ATV with tracks after trade-in is \$9,600. The INSF has pledged \$2,000!

**Would you donate to help us raise the remaining \$7,600?**

Your donation will help ensure the great grooming we have come to expect on Irondale Trails!!! Your donation meets IRS charitable donation guidelines since we are a 501(c)3. In addition, if your company matches your donation, we are happy to provide you a receipt so you can double the benefit of your donation through your employer matching program. And, consider how to use any volunteer hour match that your employer might offer as well!

To donate, mail a check and specify "groomer" on the memo line.

Donation address:
