

PRESS RELEASE

SAINT PAUL, MN—May 17, 2022 - *Endurance United and the Rice Creek Boat Club are excited to announce an agreement for RCBC to become part of EU. RCBC's paddle sports programming and events are perfectly aligned with EU's mission to support active, healthy, outdoor lifestyles.*

RCBC offers junior and adult summer programming in canoeing, sprint kayaking and stand-up paddle-boarding at a range of levels, from introductory to competitive. These will be a welcome addition to EU's year-round Nordic ski training and mountain biking programs. In addition, RCBC's paddle sports events will complement EU's ski and Urban Trail Series events. Both organizations are committed to creating more opportunities for people to be active and outside in Ramsey County.

"Bringing these two communities of outdoor enthusiasts together will lead to great synergies and opportunities for our coaches and participants. I look forward to the future as we unite these organizations," said John Richter, EU Executive Director.
