Grooming report: <http://www.skirunbikemt.com/grooming-report>

We are excited to kick-off a full season of events! Starting with our annual Yellowstone Ski Festival. This year we are offering almost 30km of groomed trails, 5 clinics for all ski levels, try-it biathlon, biathlon race, Friday evening Apres', and an NRL race.

To see a description of events and to get more information, check out the schedule here, <http://www.skirunbikemt.com/sf-schedule.html>. As of November 11, trails have been groomed with the PistenBully and skiers are out!

We have snow! Come enjoy your First Tracks in West Yellowstone. Whether First Tracks truly means the corduroy and you, or it is the first time on skis this season, or the first time on skis period; you are invited to take them at the Yellowstone Ski Festival. Now is the time to start packing and make your way to West Yellowstone and attend the 2022 Yellowstone Ski Festival.

We have lots of events planned this season, including citizen races, Taste of the Trails, try-it Biathlon and biathlon races, and our season capper the Rendezvous Race. We hope you will join us for a full winter season of fun in the snow. You can review our schedule here, <http://www.skirunbikemt.com/events.html>.
